Logo Guidelines

FULL LOGO

The SSC logo employs two colours and the NASSCOM Maroon.

REVERSED LOGO

Being accompanied with NASSCOM the SSC reversed logo has very same properties as parent. Only the elements are represented with grey, whereas the text is completely white.

FULL COLOUR LOGO ON LIGHT BACKGROUND

Will be used when the background colour is light coloured.

FULL COLOUR LOGO ON DARK BACKGROUND

Will be used when the background colour is dark coloured.

FULL LOGO

The SSC Logo in its original form should be used exactly as produced above, as a PNG with a transparent white background.

INVERSE VARIATIONS

For inverse variations, a white box will accompany the transparent logo superposed on the colored background.

Logo Minimum Size

The logo is designed to retain its characters and legibility in small and large sizes. The technical limitations of some printing methods, however, prohibit legible reproduction of the logo below a certain size. The full logo should not be printed at a size smaller than 1" (25.40 mm) in width.
